

Save-On-Foods Throws 250 People Out Of Work!

After more than twenty years of operation, the Overwaitea Food Group, which owns Save-On-Foods is permanently closing its Langley warehouse and throwing 250 people out of work!

Some of those who will lose their jobs have been with the company since the day the warehouse opened.

These 250 people will lose their jobs simply because company management says they can do their work cheaper by contracting it out to others at lower wages.

Save-On doesn't care that the warehouse employees are distributing more groceries than they ever have in the past.

Save-On doesn't care that some of its warehouse employees have worked for the company for over twenty years!

WE NEED YOUR SUPPORT

When you do your shopping today please take the time to tell the management of this Save-On store that you support the Save-On warehouse workers in our fight to save our jobs!
